**Re: Evident Technologies Inc. Application to Reject Executory Contracts of eBioscience Inc.  
Case No. 09-12515 – Chapter 11**

Dear Judge Littlefield:

I am in-house counsel at eBioscience Inc. Bioscience does not oppose the Application presented by Evident Technologies dated February 24, 2010. However, eBioscience wishes to retain its rights in accordance with section 365(n) of the Bankruptcy Code, and requests that the Court hold the hearing scheduled for March 24, 2010 to ensure that any order so provides.

Very truly yours,

Ryan M. Simon  
eBioscience Inc.
